

Jers journal (Elections)
11/05/08 07:43:24 AM

Poppa what is your word about the elections?

I am giving the people what they have asked for. They want to have their own way I am giving them it.

I will bring a total separation from those who are my children and I will show my righteousness to my people. The world will see that I am in control. That I show favor and grace to those who call on the LORD and who seek My face. I am bringing the sanctification to My children My will will be done on the earth. I can raise up kings and I can bring them to their knees.

Do not fear my son things are were I need them to be. I am moving and working in all these circumstance. I will not leave My children orphans. I will deliver My people who seek my face who fix their eyes on Me. Who believe in the mighty hand of the LORD. Thank you Daddy what do you want me to do today? I want you to walk by faith and not by sight. Walk in the vision I show you look to see what I am doing in your life this vary minute.

I am with Jesus we are going up an big escalator, The kind you would see in a huge mall but there is no one around it's just us. We are going up He is smiling exited to show me something.

Jeremy I am so glad that you are a believer and that I can trust you with what I am going to show you. This is what I long for so many to walk in.

I am now in what looks like a factory. The things that are being made are body parts and I see a machine that is labeled hope I see another one that is labeled perseverance. I am seeing assembly lines of legs and arms eyes and ears as well as organs.

I am going to pour out my sings and wonders in the midst of all the hardship and chaos that is going on. The world will have to take notices at the miracles and signs that I show. Understand as the manifestations become greater so dose My Judgment on the earth. When there is grater power shown greater Justice must come with it. Pray for the harvest pray for the finished work to be done on My faithful. That the signs and wonder of My hands would be poured out on the earth in the midst of the darkness.
