Acceleration

Reference guide: God speaking bold *Italics*.

Father I love you I worship you I adore you. (I am hugging the Lord and his Glory is coming completely though me all I see is Brilliant light and feel overwhelming peace.

***Jeremy you have been lifted above the warfare, I want you to rest in me I am bringing all things together for you, just do what I tell you then I tell you. My fullness will manifest upon your life.***

***Come walk with me, I have much to show you*** (I am in a heavenly place with the Lord)

Show me Lord I want to see all you desire to show me, (the Lord has taken me to a sea of glass)

***I want you to see that the time is short and everything is accelerating.***

(As I look upon the sea of glass I see that people, air plans, cars etc. are speeding up like watching a dvd in fast forward)

(Then I see an intense flash of white really bright light, in the sea of glass as if watching a light explosion on a 200" X 200" ultra high-definition TV.)

***My Glory will cover the earth and my Kingdom will be fully empowered on the earth.***

***You must believe my word and that I will instruct my people to what they must do. My people must Practice hearing and obeying my word my spoken word.***
